APRIL 8 2024: TIMELINE OF THE ECLIPSE

90 minutes before : Partial eclipse begins

The moment the edge of the moon appears to touch the edge of the sun is called 1st contact.

45 minutes before: Temp

Change & Shadows

Shadow edges that are aligned with the suns

narrowing crescent start to become sharper, edges that lie at right angles remain blurry.

30 minutes before: The Sky Darkens

2/3rds of the Sun is now covered by the moon and the sky becomes dark.

20 Minutes before: Humidity & Wind Change

The Moons shadow causes small changes in wind strength and direction.

5 minutes before: Dark Shadow on Horizon

The moons shadow becomes visible

Seconds before: Corona

The outer part of the Suns atmosphere starts to become visible, dark shadows sweep in and a solar corona ring forms around the dark moon like a jewel.

Just Before: Baily' s beads

The final beads of sunlight stream through valleys along the edge of the moon

TOTALITY: The moon covers all of the sun!

PASSOVER:

WHAT'S ON A SEDER PLATE?

There are typically 6 symbolic, ceremonial foods for the night.

1. Matzo
2. Shankbone
3. Egg
4. Bitter herb
5. A mix of apples, wine, walnuts, cinnamon
6. Vegetables, often celery

WHAT IS APRIL FOOLS DAY?

April Fool's Days origin is unknown but they say it started hundreds of years ago. Some theorize that it dates back to Ancient Rome to a festival called Hilaria where people would dress up in disguises and mock or imitate others. Some think it is similar to Holi, from India where participants throw colored powder and colored water on one another and play tricks on each other. Others think it can be traced back to France when Charles IX decreed the New Year would no longer begin on Easter and those who clung to the old ways were "April Fools."

But no one really knows....

What trick will you play?

Letter from the Director:

April 2024

Hi Everyone! The weather is still strange. One day it's hot, the next day cold and next day raining. It's hard to determine what to wear each day. Because of this we have a large "Lost & Found" pile in the office. So, if you're in the group please check it out and if you're a family member ask your individual if they are missing anything. We're also dealing with the Pollen on top of it! I can't wait till its real Springtime. The group is getting restless, they are all ready to do more things outdoors. So the Day Program is getting their garden up and running now!

We had our Easter Egg Extravaganza at the office due to the rain and wet grounds at Hall and it was a blast watching the group run around. I thought Easter was early last year but this year it was March 31st. Chef Heather planned a Traditional Easter Dinner for Hall and Lisa handled Easter Dinner in Fulton. We truly do appreciate the Volunteers who helped serve the Holiday Meals and all the donations to make it a big success.

KELLI AND I WILL BE OUT OF TOWN DURING SPRING BREAK SO LET RALPH, HAILEE AND ED (770-441-1188) KNOW IF YOU NEED ANYTHING. THEY WILL BE AT THE OFFICE AND/OR PROPERTY HANDLING THINGS FOR US. THANKS GUYS! THE HALL PROPERTY IS ALMOST FULL, I THINK WE HAVE 2 MALE AND 2 FEMALE SPOTS AVAILABLE, BUT I ALSO THINK WE HAVE PEOPLE READY TO GET OFF THE WAITING LIST AND JOIN. WE WILL BE WELCOMING MINDY FRIEDMAN AND MICHAEL DONAVAN TO THE FULTON PROPERTY THIS MONTH, WE ARE EXCITED TO HAVE THEM, AND THEIR FAMILIES JOIN THE "JP" FAMILY.

The plans for the Dollywood Trip are almost finalized. It will be a packed full of fun week. I have also started working on the Hawaii Trip for July 2025. It will be a 14-day trip and run close to \$5000.00. If you plan to go you can start making payments (any amount) now. Aloha!

I wish all the "JP" Families a Happy Easter and Happy Pesach!

A handwritten signature in black ink, appearing to read "Kelly", is written over the bottom right corner of the landscape image.
